

 **2025-2026 CircusLab Information Packet**
Youth Performance Ensemble | Ages 7-17
AcroSports, San Francisco

 **WELCOME**

Thank you for your interest in joining **CircusLab**, AcroSports' Youth Performance Ensemble! This packet outlines what to expect from the program, what's required to audition, and how to prepare for the upcoming season. Please read through carefully and reach out with any questions.

 **ABOUT THE PROGRAM**

CircusLab is a 10 month training program for youth ages 7-17 who are passionate about circus and are ready to take their performance skills to the next level. Through a blend of physical disciplines and creative exploration, CircusLab members gain valuable stage experience, confidence, and community.

Participants will:

- Train in acrobatics, aerial arts, parkour, clowning, object manipulation, character work, and more
 - Create original acts and perform in multiple shows throughout the year
 - Train under expert coaches and guest artists
 - Perform alongside AcroSports coaches and professional artists in true circus tradition
-

 **LET'S MAKE MAGIC****In CircusLab, we believe in:**

✨ **Dreaming big:** Because every incredible act starts with an idea and a spark. Here, you're not just learning tricks, you're imagining the impossible and making it real.

💪 **Training hard:** Circus takes courage, focus, and perseverance. We fall, we try again, we sweat and we rise stronger, every single time.

🌟 **Believing in yourself:** Whether you're climbing a rope, standing on someone's shoulders, or stepping into the spotlight for the first time, your voice, your strength, and your story matter.

👏 **Supporting each other:** We are a team, a troupe, a circus family. We cheer the loudest, catch each other when we fall, and celebrate every small win together.

 **Having FUN!** Joy is our secret ingredient. From the first cartwheel to the final bow, we laugh, we play, and we love the journey as much as the show.

We can't wait to see what you bring to the ring!
